The Sacrament of the Anointing of the Sick

Jesus was concerned about people's physical as well as spiritual health. In fact, the word *salvation* is derived from the Latin *salus*, which means "health." In announcing the Good News of salvation, Jesus was declaring that God cares for us completely— body, soul and spirit.

Jesus healed people's spiritual lives by assuring them that God forgives their sins and gives them the power to love and care for others. Jesus also healed people's ailments as a sign of God's power and as an example of caring for the entire person.

By healing people's bodies as well as their souls, Jesus showed that the entire human being is touched by God's salvation. Through out the Gospels, we read of Jesus' concern for the sick.

- When has your physical health been affected by your mental health or vice versa?

It has been said many times over and in a variety of ways that stewardship is based upon gratitude. Gratitude for what, we might ask? For the variety of blessings each of us receives, understanding full well that each of us is gifted in different ways and perhaps even in different measures. However, there is one gift in which we all share equally.

“For God so loved the world that he gave his only son, so that everyone who believes in him might not perish but might have eternal life” (John 3:16). It is difficult for us to even conceive of the magnitude of that multifaceted gift, from God’s unconditional love for us to the extraordinary gift of his son Jesus to the fabulous gift of everlasting life.

Stewardship calls us to appreciate all of God’s gifts, but if we only focus on the gifts listed above, our gratitude should know no bounds. Pope Francis has said, “God never gives someone a gift they are not capable of receiving. We all have the ability to understand and receive God’s gifts.” We need to recognize God’s gifts and especially during our preparations for Easter, find ways to show and live out our gratitude.

She was never found wanting in any of these duties, She offered her time, talent and treasure to make sure that things were moving properly in the parish. Teresa has officially stopped work as secretary of the parish on the 28th of Feb., 2024. This was as a result of the new job she got. May God Bless her and see her through as she take up her new job.
