Dear *Friends of St. Jude*,

As I head out east for Missouri, I leave with many wonderful memories serving here in Tuba City. Topping my list is recalling the generosity of so many fine folks like you whose prayers, interest and financial assistance kept building up my spirits to continue spreading the Gospel message among the Navajo. We are so blessed to have you as our co-workers in the field! And now a new chapter begins, with the arrival of the new Pastor, Reverend Faustinus

Ibebuike, and the leaving of Sister Catherine France, D.C.

Our parish is blessed and thankful for Father Faustinus who has arrived safely to begin his ministry as Pastor. Father was ordained in 2006 for the Diocese of Orlu in Nigeria. He has served in the Diocese of Gallup since 2018, most recently in Grants, NM. Thank you, Father, for your willingness to serve in the Diocese of Gallup and accept the call of Bishop Wall to Pastor within the Navajo Nation in Tuba City and at Our Lady of Guadalupe Church in Kayenta!

We will miss you, Sister!

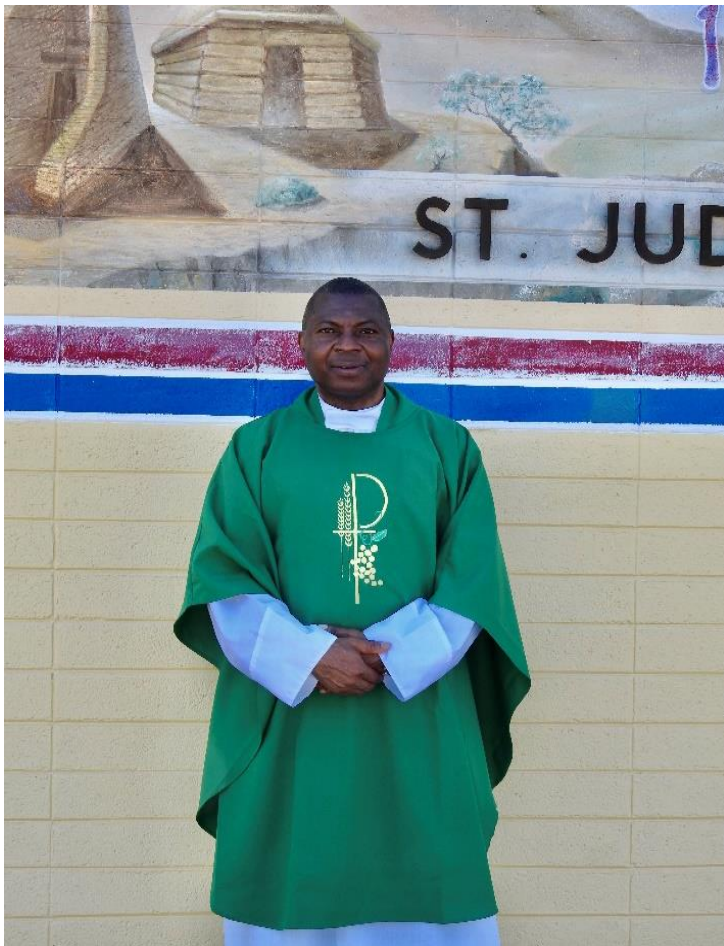

Sister Catherine has been with us since 2015, serving as the Spiritual Advisor to our St. Vincent de Paul Society and Pastoral Outreach Minister to our elderly, shut-ins, and sick.

She has exemplified, these seven years, the love of Jesus as a true follower of St. Vincent de Paul and St. Louise de Marillac.... What a gift to us all! And just to keep herself busy, she also took on being the creative editor of our Parish Newsletter you have been receiving these many years.

God bless you and keep you, Sister, as you head west to California!

Father Jay
